

RAVEN NEST GOLF CLUB

COURSE LAYOUT HOLES #1 – 9

PIN COLOR CODES – ORANGE FRONT, WHITE MIDDLE, GREEN BACK.

YARDAGE ON SPRINKLERS IS TO THE FRONT, MIDDLE, AND BACK OF THE GREEN.

GRAIN GROWS TO THE NORTH WEST.

Hole #1

521- 422 yds.

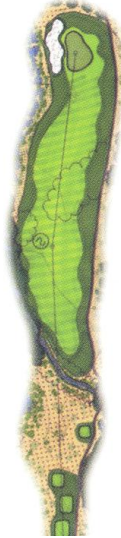

Reachable in two this par five favors shots from the right side of the fairway. The green provides the challenge on this hole.

Hole #2

441-381 yds.

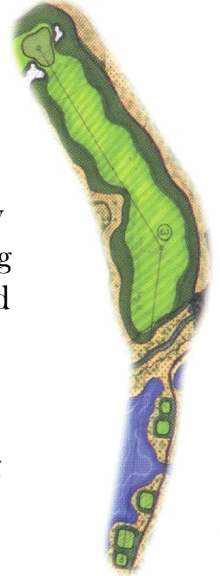

This challenging par four will test you from tee to green. The playable error is to the right side of the fairway.

Hole #3

470-360 yds.

Another healthy par four favoring a tee shot played to the right. Trouble surrounds the large undulating green.

Hole #4

202-135 yds.

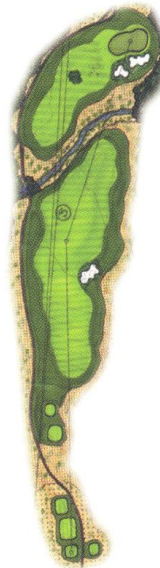

This deceiving green is longer than it is wide. Additionally the bowl like effect surrounding the green will funnel errant shots.

Hole #5

461-413 yds.

Arguably one of the prettiest holes on the course. A bold carry over the fairway bunker will be rewarded with a short shot into the green.

Hole #6

174-100 yds.

A welcomed relief comes in this shorter par three. The green provides challenges with undulations from back to front and left to right.

Hole #7

409-282 yds.

Position from this tee is rewarded over length. Longer hitters may attempt to carry the bunker on the left side.

Hole #8

158-100 yds.

This straight forward par three is a welcomed birdie opportunity. A sloping green from front to back will punish a low shot.

Hole #9

509-383 yds.

Well managed shots will be rewarded with the chance to score well. Play to your strengths in positioning yourself throughout this hole.

RAVEN NEST GOLF CLUB

COURSE LAYOUT HOLES #10 – 18

Hole #10

422-335 yds.

Fairway slopes left to right. The uphill shot to the green requires plenty of club.

Hole #11

175-120 yds.

Straight forward par three. The difficulty lies on the green, balls collect to the back right portion of the green.

Hole #12

436-354 yds.

Slight dogleg to the left. The tee shot will roll from left to right. Green is bisected from right to left by a subtle ridge.

Hole #13

475-376 yds.

Challenging par four. The bunker on the left side of the fairway may come into play off the tee for the longer hitter.

Hole #14

532-421 yds.

Reachable in two. This par five is guarded throughout it's length by two creeks. Yardage control is required on all shots played from tee to green.

Hole #15

467-353 yds.

Generally played into a prevailing wind this lengthy par four can be the most challenging on the course. The fairway slopes from right to left.

Hole #16

335-261 yds.

This drivable par four can be very punishing if the green is not reached. Lay up to the left and the green will open to your approach.

Hole #17

211-179 yds.

A visually intimidating and deceiving par three. The green can be very fast from front to back.

Hole #18

545-441 yds.

Favor the right side of the fairway from the tee. Longer hitters may carry the small pines. Large green undulations require an approach played with trajectory and spin.
